Clogged System Needs Attention

Are you bilious, dizzy and listless? Dr. King's New Life Pills taken at once seize upon constipation and start the bowels moving naturally and easily. Moreover it acts without griping. Neglect of a clogged system often leads to most serious complications. Poisonous matters and a body poorly functioning need immediate attention. If you wish to wake up tomorrow morning happy in mind and entirely satisfied, start your treatment tonight. 25c a bottle.—Adv.

CRAZY MADGE.

WHEN HER BACK ACHES

A Woman Finds All Energy and Ambition Slipping Away

Mansfield women know how the aches and pains that often come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking at the cause.

Can Mansfield sufferers desire stronger proof of merit than this Springfield woman's word?

Mrs. J. H. Butler, 834 Guy st., Springfield, Mo., says: "Weak and lame back, together with difficulty with the kidney secretions led me to get Doan's Kidney Pills and begin using them. They began benefiting me from the first and I continued taking them until I received the best results. I thank Doan's Kidney Pills for what they have done for me."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills, the same that Mrs. Butler had. Foster-McBum Co., Props., Buffalo, N. Y.—Adv.

I can recommend it to all who suffer from liver troubles."

I have influenced several of my neighbors to take Black-Draught Liver Medicine, and I give it to my grandchildren.

The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Woman Finally Recovers From Nervous Breakdown

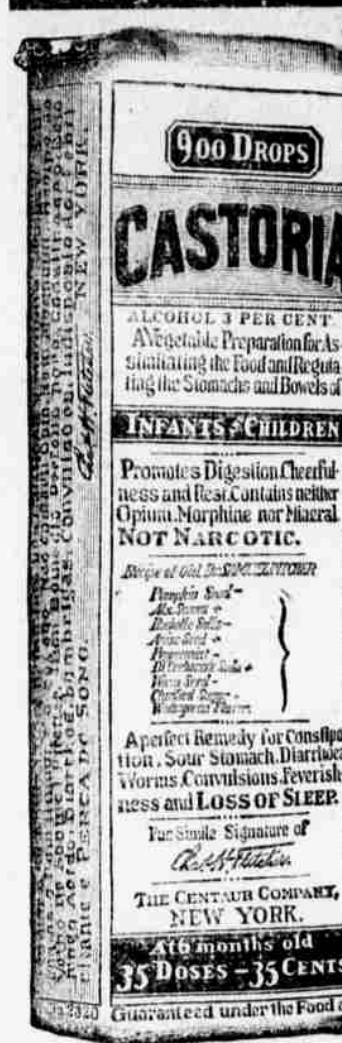

Impoverished nerves destroy many people before their time. Often before a sufferer realizes what the trouble is, he is on the verge of a complete nervous breakdown. It is of the utmost importance to keep your nervous system in good condition, as the nerves are the source of all bodily power. Mrs. Rosa Bonner, 825 N. 10th St., Birmingham, Ala., says:

"I have been suffering with nervous prostration for nine or ten years. Have tried many of the best doctors in Birmingham, but they all failed to reach my case. I would feel as if I was smothering; finally I went into convulsions. My little girl saw

Dr. Miles' Nerveine advertised in the papers and I at once began to take it. I continued to take it for some time and now I am well."

If you are troubled with loss of appetite, poor digestion, weakness, inability to sleep; if you are in a general run down condition and unable to bear your part of the daily grind of life, you need something to strengthen your nerves. You may not realize what is the matter with you, but that is no reason why you should delay treatment.

Dr. Miles' Nerveine has proven its value in nervous disorders for thirty years, and merits a trial, no matter how many other remedies have failed to help you. Sold by all druggists. If first bottle fails to benefit your money is returned. MILES MEDICAL CO., Elkhart, Ind.
